

Property Verifier

Transparent and Reliable, Get the facts, don't be Dipped.

Protect Your Hard-Earned Money and Stop Getting Ripped Off by Property owners And Agents

Hey! Are you tired of getting ripped off by PROPERTY AGENTS? Do you want to protect your PROPERTY and your hard earned MONEY? Then PROPERTY VERIFIER SOLUTIONS have just the thing for you - contract that can help you stop getting taken advantage of.

As an entrepreneur and property management expert, we understand the importance of protecting your property and ensuring that your money goes straight into securing genuine property and avoid criminals who want to rip you off. We charge you (\$100 or kshs 14,000.) for all our services and make sure your investment is secure

We understand the challenges that come with acquiring property especially if you are far away from home. That's why we've developed a platform that streamlines the process and makes it easier for you to verify the property you want to invest in and avoid being conned your hard-earned cash.

Our platform includes features such as automated follow-ups to make sure the property is authentic, personalized interaction with the seller virtually, and advanced analysis like making sure the location is right, beacons are well

marked and land rates are settled before transaction, no succession issues, and ownership is authenticated through green card search.

So what are you waiting for? Download the one page contract now and start protecting your hard earned money.

Best regards,
Director
Elijah C Karanja
